## INTERNATIONAL FOOD STATIONS...

Thank you for considering our stations. Stations offer the possibility of being action stations with live chefs and appropriate cooking gear at each area. Your guests will love the ability to special order, see food being created right in front of them and enjoy open conversation with other guests! Stations allow your guests to mingle and appreciate more food options.

**SIMPLY SMOOTH'S** stations are designed and priced based on a minimum of 50 guests and are seasonally priced. Smaller guest counts can be accommodated at an increased pricing structure. Likewise, with more the 150 guests, your cost per person can decrease.

**Two or three foods stations more than accommodate for guests appetites; add a few hors d'Oeuvres and your guests will be sure to rave for years to come!** Realistically, one station is not adequate unless it were part of a cocktail hour or enhanced.

**SIMPLY SMOOTH** can supply all of the decor items to make these food stations look and feel like the countries and themes they represent. Whether Mexican blankets and sombreros or a feng-shui Asian station we have decor and props to make your stations look fantastic! We also can supply incredible floral designs to please your eye.

**SIMPLY SMOOTH** is a full-service catering and event planning company. Located in Allentown Pennsylvania since 1990, we offer complete services from linens and rentals to floral designs and limousine services. Let us show you how we can help you create an event to be remembered! As our name implies we create affairs that are **SIMPLY SMOOTH!**
